

Route description:

- Coming from Antwerp E313:
  - Exit 23 Geel-West – towards Geel – follow Anwerpsesteenweg for approx. 4 km until you reach the Geel "ring road"
  - You come to a roundabout with a large modern sculpture in the centre
  - Leave the roundabout at the first exit towards Meerhout, Mol
  - At the next roundabout go straight on
  - At the third roundabout leave at the third exit towards Geel Centrum (Diestseweg)
  - After Approx. 100m take the second street right into Cipalstraat
  - At the end of the street you will see Genzyme Flanders, a magnificent silver building on your left, about half way down the street.
- Coming from Hasselt E313:
  - Exit 24 Geel-Oost – towards Geel – continue direction Geel Centrum
  - After approx. 6 km you come to a roundabout
  - Go straight over, towards Geel Centrum (Diestseweg)
  - After Approx. 100m take the second street right into Cipalstraat
  - At the end of the street you will see Genzyme Flanders on your left, a magnificent silver building, about half way down the street.
- Coming from Turnhout-Kasterlee
  - Before the centre of Geel turn right at the first traffic lights
  - You drive on the ring road of Geel in the direction of Mol
  - Go straight over the first roundabout (which has a modern sculpture in the centre)
  - Now follow the directions of "coming from Antwerp E313" (see above)
- Coming from Mol
  - As you approach Geel you come to a roundabout. Take the exit towards Geel Centrum (Diesteweg)
  - After Approx. 100m take the second right into Cipalstraat
  - At the end of the street you will see Genzyme Flanders on your left, a magnificent silver building, about half way down the street
